

He'll Make It Alright

Charles Jenkins & Fellowship Chicago

Chorus:

He'll make it alright
He'll make it alright
He'll make it alright
He'll make it alright

Verse 1:

Whatever you want
God is able
Whatever you need
He'll supply
Whatever is broken
He can fix it
No need to worry
He's alive

[CHORUS]

Verse 2:

Wherever you are
He's listening
Whatever you pray
He knows
Whatever the answer
He's got me
We know He's sovereign
He's in control

Vamp:

***Alright, alright, alright
He'll make it all...***

***He will make it all right
I know, He will***
